320615(20)

BE (6th Semester)

Examination, April - May, 2016

(Old Scheme)

Construction Planning and Management

CSVTUonline.com

Time Allowed : 3 hours *Maximum Marks* : 80

Minimum Pass Marks : 28

Note : (*i*) Part (*a*) of each question is compulsory. Attempt any **two** parts from (*b*), (*c*) and (*d*) of each question.

(*ii*) The figures in the right-hand margin indicate marks.

Unit - I

1. (*a*) Define Management of Project. 2

(*b*) What are the objectives and functions of project management? 7

(*c*) What are the objectives and importance of cost control in construction? Explain in brief system of cost control. 7

(*d*) Define and give outline of planning for construction projects. 7

CSVTUonline.com

Unit - II

2. (*a*) What is scheduling? 2

(*b*) Explain in brief scheduling of job layout and line of balance. 7

(*c*) On a network, PERT calculations yield a project length of 60 days with a variance of 9 days. Estimate the number of days required to complete the project with a probability of 98%. 7

CSVTUonline.com

(*d*) Describe in brief : 7

(*i*) Earliest start time

(*ii*) Earliest finish time

(*iii*) Latest start time

(*iv*) Latest finish time

Unit - III

3. (*a*) Specify Accidents. 2

(*b*) What are the causes of accidents? Explain in brief safety measures. 7

(*c*) What do you understand by quality control in construction? Give its importances. 7

(*d*) Differentiate between Traditional Management and Total Quality Management. Give application and constants of TQM in construction process. 7

Unit - IV

4. (*a*) Define economy with respect to engineering project. CSVTUonline.com 2

(*b*) Explain economic analysis of engineeing projects. What is economic studies? 7

(*c*) Define Management Information System. What are the importances of Management Information System (MIS) of any project? 7

(*d*) Give detailed outlines of Management Information System of construction project. 7

Unit - V

5. (*a*) Specify pile driving equipments. 2

(*b*) Classify the different types of construction equipments. Explain in brief any two construction equipments. 7

(*c*) What are the different factors affecting selection of construction equipment? What is financing aspects? CSVTUonline.com 7

(*d*) Explain cost of owning and operating of the construction equipment. Write a short note on equipment maintenance. 7
