Unit-II

2. (a) What are the stages of information assimilation. 2

(b) Define coginition. Clarify human cognition in DSS. 7

(c) Describe the phases of decision making process. What are the implications for design of decision making support. 7

(d) List the various communication and cultural issue. 7

Unit-III

3. (a) Define requisite modeling. 2

(b) Compare the normative and descriptive approaches to decision making. 7

CSVTUonline.com

(c) Explain prescriptive analysis in detail. List various scientific disciplines comprises prescriptive analytics. 7

(d) Describe Recognition Primed Decision (RPD). Explain the variations in RPD strategy. 7

Unit-IV

4. (a) Compare simulation and optimization. 2

(b) Write short note on : 7

(i) MIS

CSVTUonline.com

(ii) EIS

(c) Describe the significance and scope of operations research in modern management. Discuss the limitations of OR. 7

(d) Differentiate between decision analysis and strategic decision support.

Unit-V

5. (a) Define "Groupware". 2

(b) Explain Group Decision Support System (GDSS). Describe typical GDSS configuration. 7

(c) What do you mean by Intelligent decision support systems? Discuss its applications. 7

(d) Explain deliberative e-democracy and e-participation. 7
